## Winter Safety Policy

## From The Founder's Desk...

Hello & Welcome to February!

I don't know about you, but I feel like January was incredibly long this year. I am definitely ready for some spring weather. As you probably know by now, January was filled with wrapping up our Good Giving Challenge & Year End Donor appeals. I am elated to say we surpassed

all of our goals! Thank you to everyone who gave of your time, talent, & treasure.

I would also like to thank the ITNBluegrass Board of Directors for nominating me to be one of "Lexington's Unsung Hero's". I was honored to receive one of the eight awards bestowed at the recent reception, hosted by CivicLex at the historic Carrick House. As an honoree I had the opportunity to share with all of the attendees what ITNBluegrass is, and how important we are to Seniors in the Lexington community.
