Planning Your Rides

Notice given by 3:00 p.m. the day before :

Scheduling a ride by 3:00 p.m. a day in advance guarantees that your mileage rate will be the minimum, and that we will be able to provide more timely service. To help us serve you better please schedule your rides as far in advance as possible.

Same day notice :

We understand that you may not always be able to plan your trips a day in advance. We will meet same day requests, if we are able, as quickly as possible. You may experience some delay and your fare will be higher.

To cancel a ride :

We understand that sometimes you may need to cancel a scheduled ride. There is a \$12.00 charge for the initial ride if you do not cancel prior to 3 PM the day before, and a \$12.00 charge for the return ride as well if you cancel within one hour of your pickup time.

Night rides :

For your security and convenience, ITN is sometimes able to do night time rides when needed. However, there is a \$ 8.00 pickup charge for night rides between 8:00 p.m. and 7:00 a.m.

Scholarships for Low Income Riders :

Discounts for sharing rides, and the gift certificate program are designed to help you plan your rides economically. However, if you have difficulty paying for rides, we have the Road ScholarshipTM program for low-income riders. There is a simple confidential form you may request from the office to determine if you qualify.

Customer Closing an ITN Account :

A customer may close an account at any time and receive a full refund of all Refundable (Cash) riding credits remaining in the account. A closing check will be issued with the next monthly statement after you close your account.

Exceptions :

- Credits in an account from a CarTrade. Because ITN does not charge for our CarTrade program service, any credits a customer receives for a car must be used for rides.
- Birthday credits.
- Scholarships.
- Donated Volunteer Credits.

ITN Closing a Customer Account :

If ITN is forced to terminate an account due to a customer's needs exceeding ITN's ability to serve, or if ITN goes out of business, customers will receive a refund of all riding credits that were paid in cash, remaining in the account. A closing check will be issued with a final monthly statement following the account closing.
