Thank you for your interest in the Independent Transportation Network of Central Oklahoma. We are a nonprofit service offering the independence, comfort and convenience of a private automobile with friendly helpful drivers. We provide rides for adults over 65 and individuals with visual impairment. We are not equipped to accept wheelchairs but are pleased to provide service for those who are mobile enough to enter and exit a car with a cane, walker or personal assistance.

Once we have received your application and a check for \$100 to open your pre-paid Personal Transportation Account you may begin booking rides. The application and payment options are in the website menu and can be done online if speed or convenience are important. Or, if you prefer, you can call our office at 405-602-1558 and an application will be mailed to you.
