Setting up your Personal Account:

Your road to mobility begins with an Annual Membership Fee (\$60.00 for individuals and \$80.00 for family memberships) and a prepaid Personal Transportation Account[™] based on an estimated usage. Since you don't pay cash, riding with ITNMC is more like riding with a friend than taking a taxi. Each month, you receive a statement deducting the cost of your rides from your account balance. You then add the funds necessary to cover your rides from your account balance. You then add the funds necessary to cover your rides for the next month, always maintaining at least the minimum monthly balance of \$50.

To start your account, payment of \$60 Membership Fee (\$80 if a family membership) plus \$50 to open up your Personal Transportation Account. The total will be \$110 for an individual; \$130 for a family.

For each month that follows you will process a payment to bring your balance up to the minimum of \$50, plus additional funds to cover more rides, as needed.

Once we have received an application and payment we will call you to let you know when you may begin booking rides. If you have any immediate questions please feel free to contact our office.
